## **A. L. Hansen Holiday Closings**

Waukegan, IL — In observance of the upcoming holidays A. L. Hansen Mfg. Co. will be closed on the following days.

November 27<sup>th</sup> & 28<sup>th</sup> 2008  
December 24<sup>th</sup> 2008 thru January 5<sup>th</sup> 2009

A. L. Hansen would also like to remind everyone that the 2009 Chinese New Year will begin on January 24<sup>th</sup>, 2009 and run through February 5<sup>th</sup>, 2009. While these are joyous times for many, it also means that factories will slow down and even stop production for a period of time. Most companies in China allow their employees additional time off before and after the actual holiday for travel. We have been advised that the slow down in China will start around January 15<sup>th</sup> and will not resume normal operations until about February 22<sup>nd</sup>.

We are asking our customers to please look ahead and plan for these shut downs by ordering early and planning to have enough stock to allow for no disruptions to your production schedules.

A. L. Hansen is willing to help in any way necessary to provide our customers with a worry free holiday season. If you have any questions please contact your customer service representative at 847-244-8900.

## **About A. L. Hansen Mfg. Co.**

Established in 1920, A. L. Hansen offers a complete line of commercial, industrial and vehicle hardware. Our products have long been recognized as the industry standard for quality and dependability. We are committed to producing the highest quality products at competitive prices. Centrally located in Waukegan, Illinois, A. L. Hansen offers product engineering, prototyping, metal stamping, machining, welding, assembly and warehousing all inside our 85,000 sq. ft. facility. This allows us to streamline the manufacturing process reducing development time, lowering costs and increasing quality control.
